INTRODUCTION

The 2022 National Seminar on Palm Oil Milling, Refining, Environment and Quality (POMREQ) is an on-going series of seminars organised specially for Malaysian personnel involved in the palm oil industry.

The last seminar was held in 2018 and since then many innovations have been taken place. This seminar will provide the right forum for the palm oil industry and R&D organisations to exchange ideas, chart strategies for sustainable competitiveness and development of the palm oil industry in the global oils and fats market.

WHO SHOULD ATTEND?

(Limited to Malaysian and Malaysian Companies only)

CEO, executives, researchers, engineers, scientists, millers, refiners, planters, consultants, entrepreneurs, manufacturers, environmentalists, NGOs and suppliers of products, machinery and services related to the palm oil industry.

OBJECTIVES

- To inform participants of improvements in existing technologies that may increase the productivity of palm oil mills and refineries;
- To provide an update on recent research and technological developments that may improve the quality and environmental performance of the industry;
- To deliberate on issues and concerns that may have an impact on palm oil related industries; and
- To provide a forum for meaningful interactions and exchange of ideas and experiences amongst participants, for enhancing the continued development of the palm oil industry.

TENTATIVE PROGRAMME

- Day 1
  Session 1 - Milling and Processing technologies
  Session 2 - Sustainability and Environment
- Day 2
  Industry Forum
  - Bio-circular economy towards sustainability

EXHIBITION

In conjunction with the seminar, an exhibition will also be organised for suppliers of products and services related to the palm oil industry. This enables interactions among the palm oil industrialists and exhibiting companies and will be mutually beneficial. Participants will be updated on the latest technologies available. Similarly, exhibiting companies are provided with an opportunity to introduce their latest products and influence their potential customers. More than 400 participants are expected to attend this seminar. Exhibition booths are available for booking.

Booth Dimension and Rates:

3 m (D) x 3 m (W) Booths: **RM9540-RM10 600**
