HOW CAN TOT BENEFIT YOU?

MPOB is constantly conducting research on new technologies to benefit the palm oil industry. From 1986 to 2018, a total of 676 technologies and services have been disclosed through Transfer of Technology Seminar and Exhibition. Technology commercialisation rate is 30% where 202 technologies were commercialised.

Hence MPOB WELCOMES all entrepreneurs to take up this unique business opportunities and leverage on the continuous growth of Malaysia's palm oil industry.

Palm Oil – the best time to invest is all the time!!
