Opportunities in a Post COVID-19 Landscape**

INTRODUCTION

Palm Oil Economic Review and Outlook Seminar (R&O) is an annual event organised by MPOB to highlight the performance of the Malaysian palm oil industry and to forecast its performance for the current year. This seminar will also focus on the Government initiatives to help the industry to continuously maintain their competitiveness and sustainability. This seminar provides the window to discuss and exchange views in further strengthening the role of palm oil in the global oils and fats industry.

OBJECTIVES

- To disseminate information regarding the performance of the Malaysian oil palm industry in 2021 and prospects for 2022.
- To highlight issues and challenges in 2021 and approaches taken by the government.
- To encourage sharing of knowledge.

FOCUS AREA

- The Malaysian palm oil industry performance 2021 and prospects for 2022.
- Export competitiveness of the Malaysian palm oil with rising domination of Indonesian palm oil in the global market.
- Addressing the issues of labour shortage amidst the global pandemic.
- Oil palm biomass in Malaysia: challenges and opportunities.
- Price prospect for 2022 with respect to the record-high prices in 2021.
