Overview of MPOB

About Us

MPOB was incorporated by an Act of Parliament (Act 582) and established on 1 May 2000. It is the premier government's agency entrusted to serve the country's oil palm industry. Its main role is to promote and develop national objectives, policies and priorities for the well-being of the Malaysian oil palm industry.

Mission

To enhance the well-being of the Malaysian oil palm industry through excellent research & development and services.

Vision

To become a Nobel Laureate-producing research and development institution, providing leadership and impetus for the development of a highly diversified, value-added, globally competitive and sustainable oil palm industry.

Malaysian Palm Oil Board
www.mpob.gov.my

Our Function

- Implement policies and development programmes to ensure viability of the oil palm industry of Malaysia.
- Conduct research and development related to the oil palm industry.
- License, regulate and coordinate all activities related to oil palm industry.
- Develop, promote commercialise research findings, provide technical advisory services to the oil palm industry.
- Collaborate and coordinate research with national and international organisations to strengthen the oil palm industry of Malaysia.
- Organise training and human resource development programme in accordance to the needs of the oil palm industry.
- Resource and information centre of the oil palm industry in disseminating research findings and information on oils and fats.

COMPILATION OF 20 YEARS OIL PALM PRODUCTS PRICES AND FACTORS AFFECTING PRICES

eISBN: 978-967-961-244-8
RM50

The book documented the daily, monthly and yearly prices of selected oil palm products for 20 years (2000-2020). The factors affecting CPO price movements and policies introduced by the government to support CPO prices during the period were also included.

A photograph of a library interior. On the left, tall wooden bookshelves are filled with books, their spines creating a textured pattern of colors. On the right, several incandescent light bulbs hang from black cords, some in sharp focus and others blurred in the background, creating a bokeh effect. The overall lighting is warm and soft.

**“Books are the treasured wealth
of the world”**

-Henry David Thoreau
